I understand that in order to receive the Spring and Summer Term payments under the 16-19 Bursary Scheme I need to meet certain standards.

These standards are:

- Achieve a minimum 96% attendance record to lessons across the preceding school term
- Achieve Attitude to Learning grades of Good or better in all Progress Checks
- Achieve good progress in my subjects
- Maintain a good record of conduct
- Follow the expectations of the Sixth Form ethos outlined in the Sixth Form handbook.

I understand that payment for the Spring and Summer Term may be delayed or withheld if I fail to meet the agreed standards.

You will be informed if a payment is being delayed or withheld along with the reason(s) why. Depending on the circumstances, a payment maybe withheld completely or delayed. Any payment that is delayed will only be paid if you meet some agreed targets. We will take into account the individual circumstances of a student where they fail to meet one of the agreed standards, for example, through long term illness in relation to attendance.
