

'No Limits' @ HUS

Art Department

Identification of students:

Criteria:

Students are selected on the basis of promise demonstrated in lessons and measured improvement throughout the academic year.

All students working at or above a level 6 at KS3, or at grades A / A* at GCSE, 'AS' or 'A2' level are considered by the department to be our 'No Limits' students.

Parents and students can also nominate a student for consideration.

Review:

'No limits' students are reviewed after each progress check and students who are considered to be developing their work at this level are included on our lists.

Notification:

We inform students and parents at the beginning of the academic year if we consider a student's work to be at the appropriate level. This is always discussed with students and their parents at parents' evenings.

Curriculum opportunities with 'No Limits' :

'No limits' students are offered opportunities to work with staff out of school hours, to develop their portfolios on a one to one basis and extend their creative capabilities through extension opportunities.

All KS5 Art students have access to a fully equipped teaching room throughout the course of the school day where students can develop their art work in a supportive yet informal setting.

Enrichment opportunities with 'No Limits':

The Art Department extends all students through a number of enrichment trips which take place over the course of the academic year to the Tate Gallery (Summer term, Y10), and on a bi annual overseas trip to Paris.

Students who produce work of the highest standard will be given the opportunity to display their work in the Marston Vale Forest Centre Annual exhibition of students work where work can be viewed by the general public.
