12th February 2021

Dear Parent,

We have been approached by "The Connolly Foundation" (CF), a major charitable organisation in Bedfordshire, to welcome applications for their student awards scheme. The scheme awards financially, students who meet criteria for "academic excellence" and go onto study at University. Awards of up to £1000 are available for successful students and they can continue to apply for the scheme every year they are at University.

Criteria

Students must be studying at least two of the following subjects:

English Language, English Literature, Maths, Chemistry, Biology, Physics, History, Geography, Economics, French, German, Spanish, Italian, Russian, Psychology, Law and Physical Education/Sports Science (A level and BTEC)

Successful applicants will need to achieve A level passes (or equivalent in the case of Physical Education/Sports Science BTEC) at grade A*, A and B in a combination of two of the above subjects plus one other subject at A level.

Application Form

Further details and the application form can be found on the following page

<http://www.connollyfoundation.org.uk/student-awards/>

Form:

<https://email.xebitclient.com/h/r/BEFFAA266EA093E4>

Tidy and legible handwritten applications are preferred, but word processing is permitted.

Students must apply by the 1st May 2021. The form must be submitted to the Sixth Form office via sixthform@harlington.org so that I can complete the final section of the form.

This is clearly an exciting opportunity for any students that meet the criteria to receive financial support for academic success and also throughout their time at university.

Yours faithfully

Jonathan Elmes
Head of Year 13
